

Tochnog Professional Order Form

This order form and the prices are subject to change without notice. When ordering a license or updates always the latest order form is valid; all old order forms are obsolete. We only support the latest version of Tochnog Professional; older versions are not supported in any way. The USER buys the license for a specific organisation (company, university, etc.). It is not allowed to transfer a license to another organisation.

Pricing in European euros

If you are a company or university which can provide us with your VAT number, we do not add taxes. The following 64 bit license types are available:

1. Full license. Included is 10 hours support by Tochnog Professional Company, for help with making input files, small programming jobs, etc. These hours are available for a period of one year, and will be registered by Tochnog Professional Company. Commercial calculations are allowed. Price 9950 Euro.
2. Academic license. For universities only. No support hours included. Commercial calculations are allowed. Price 3770 Euro.
3. Educational license. For universities only. No support hours included. Commercial calculations are not allowed. Price 1956 Euro.
4. Student licenses. For universities having an Academic or Educational license. No support hours included. Commercial calculations are not allowed. Price on demand.

Dongle locked licenses

All licenses are dongle locked. Presently available for Linux and MS Windows for x86-64. The USER is responsible of taking care of the dongle. In case a dongle is lost, purchase of a new version of Tochnog Professional at the normal price is needed.

Operating systems

Tochnog Professional runs on most MS Windows and Linux. The USER is responsible for installing the latest MS Windows or Linux if an old MS Windows or Linux gives problems.
